- Easiest thing, for you and for us, is for you to set up a Standing Order (either via your online banking, OR writing/phoning or calling in to your bank).
 - To assist there is a draft Standing Order form on our website, which you can print, fill in and post to your bank. Please insert your **last name and initials** as a reference, so that we can match you with our bank statement.
 - Your membership will then renew annually, unless you decide to cancel (which we hope you won't!)
- If you want to try membership just for a year make a one off payment for 1 year via your online banking to us; bank details below. Use your **last name and initial** as a reference. Hopefully you will want to renew and will then set up a standing order the next year.
- Write a cheque for 1 year's membership and post to The Membership Secretary

Newsletters : Newsletters are sent regularly to members either by post or email.

Receiving them by email is quicker and saves the society printing and postage costs. I would prefer Newsletters: **Electronically / by post (delete as appropriate)**
