IT'S
BACK!
27TH MARCH

Join us for an amazing programme of archive footage - the people, places, major events, and everyday life in the historic town of Harrogate and neighbouring Knaresborough during the 20th century, specially curated and presented by the Yorkshire Film Archive.

Through a mix of amateur, professional, promotional and television collections, learn more about the film history of the area, including unseen cine club productions, news footage of the filming of drama 'Agatha', starring *Dustin Hoffman*, and rare footage of the opening of the *Odeon Cinema*, our venue for the event.
